Y. DEMOCRATS OTE FOR GOV. COX

Delegates From State-At-Large; Camden Wins Hot Fight for Committeeman.

Honored By Democrats.

Delegates-at-large—Senators J. C. Beckham and A. O. Stanley; Representatives A. W. Barkley and Ben Johnson, Desha Breckinridge, Miss Laura Clay, Mrs. Nora Layne and Mrs. Cora Wilson Stewart.

Electors, State-at-large—Marion E. Taylor, and A. J. A. Alexander.

Chairman State Central and Executive committees—Charles A. Hardin.

Member of State Executive committee from state-at-large—George B. Martin.

Member of State Central committee from state-at-large—James M. Robinson.

National committeeman—Johnson Camden.

Louisville, Ky., May 5.—The Democratic state convention, after instructing the entire Kentucky delegation to the national convention at San Francisco to vote for Gov. James M. Cox for president, adjourned at 1 o'clock this morning.

There were several heated contests waged during the convention. Among these was the fight on Johnson Camden for national committeeman and the election of a chairman of the State Central and Executive committees. W. O. Davies, favored by the Camden forces for chairman, was defeated by Judge Charles A. Hardin, who was re-elected.

Senator Beckham led the fight against the Kentucky delegates being instructed, but the Cox supporters were always in the majority.

Louisville, Ky., May 4.—Eight delegates, each with half a vote, to the National Democratic convention were elected late tonight by the Democratic state convention. They are: Miss Laura Clay, of Lexington; Mrs. Cora Wilson Stewart, of Frankfort; Mrs. Nora Layne, of Fort Thomas; Senators Stanley and Beckham; Congressmen Albion W. Barkley and Ben Johnson; and Desha Breckinridge, editor of the Lexington Herald. Judge Charles A. Hardin, of Harborsburg, was elected chairman of the

State Central and Executive committees.

A contest over the selection of a National committeeman from Kentucky occurred late tonight. A minority group of Democrats or uninstructed group to the state convention offered eleventh hour opposition to Johnson N. Camden by holding out for the election of Col. Marion E. Taylor of Louisville. Several hot speeches were made in which the past party loyalty of Mr. Camden was questioned. The convention elected Mr. Camden by a vote of almost 1,600 to 900.

Many Speeches Made.

The voting on delegates to the Democratic national convention was not begun until after 9 o'clock. Numerous speeches occupied the time of the convention from 2 o'clock until tonight.

These included addresses of the temporary chairman, Major Scott Bullitt, whose espousal of Governor Cox and his denunciation of the Republicans brought forth much applause.

Other speakers stressed the fact that harmony should prevail in the convention and welcomed the entrance of women into the Democratic party.

Resolutions Praise Wilson.

The report of the resolutions committee recommended that the delegates to the national convention be instructed for Gov. Cox for the Democratic presidential nomination. It declared if the three-time governor of Ohio was elected he would be the logical man to carry on the policies of "our great president, Woodrow Wilson."

Praising the Federal Reserve bank and the farm loan acts in addition to the war achievements of the Democratic administration, the report denounced the Republican leaders in congress for their alleged obstructive attitude on all constructive legislation.

The committee report declared the Republicans in charge during their incumbency had attempted at all times to make political capital at the expense of the people and to undermine the great administration of President Wilson.

It endorsed the stand of the two Kentucky national senators as regards their senatorial positions on the Versailles peace treaty and the League of Nations.

As regards the peace treaty, the report urged its adoption without reservations and said the Democratic party would welcome an opportunity to go to the polls on the issue.

COUNCIL VOTES TO CALL ELECTION FOR BOND ISSUE

Citizens to Bear Expense of Election. Ballots Furnished Gratis by Breckenridge News

L. H. & ST. L. R. R. TO HELP

The first step towards building a water-works system in Cloverport was taken at the regular meeting of the City Council held Monday night when by a unanimous vote Mayor John A. Barry was authorized to call an election for the issuing of bonds to help raise the necessary funds for this enterprise.

The question of expenses on holding the election was easily disposed of. Mr. John D. Babbage, editor and publisher of The Breckenridge News agreed to print the ballots free, and several of the citizens volunteered to fill the election officers place without charge for their services.

Among the citizens who were present at the council meeting and lending their support to the water-works proposition were, F. C. Ferry, Master Mechanic of the L. H. & St. L. shops, Paul Lewis, Cashier, Breckenridge-Bank of Cloverport, D. B. Phelps and Jno. D. Babbage.

Mr. Ferry stated that the L. H. & St. L. R. R. Company would do its part to help the city get water-works and fire protection, and that the local shops would get its water supply from the city.

Movement to Reorganize

The next movement on foot is to reorganize the Cloverport Commercial Club at once. It is believed with a good vigorous club not only can it help to put the water-works proposition through, but it may be able to get other enterprises located here. It is therefore imperative that the citizens re-organize the Commercial Club as soon as possible, and if the women of the town would organize a Civic Improvement League, Cloverport could reap rich benefits from two such live wire organizations.

TWO ELECTED FOR SCHOOL TRUSTEES

Keil and Behen, Dr. Parrish Re-elected. 59 Votes Cast More Interest Shown.

The annual election of school trustees for the Cloverport Public School board was held Saturday afternoon in the school building. Although more interest was shown in the election this year than has been for three or four years, yet the entire number of votes cast was only fifty-nine.

Two new members were elected on the board of trustees this year, Charles Keil and Ira D. Behen, and Dr. B. M. Parrish was re-elected having been elected for the first time, about a year ago to serve the unexpired term of R. L. Oelze, who retired from term of J. P. Keith. Keil and Behen the board, and J. Byrne Severs whose time expired. Mr. John M. Gregory was a candidate for election and received the same number of votes as Dr. Parrish, but Mr. Gregory voluntarily withdrew.

Bred Gilts for Sale

BRED TO FARROW IN APRIL

When you can save all the pigs, these gilts are good individuals of the very best breeding that I have been able to buy at any price, and bred to a son of Black Price the 1919 Grand Champion of the world and Big Uncle Sam by Big Buster by Giant Buster, The Epoch Maker, the latter hog is the largest hog that I have ever seen for his age and I have looked over some of the very best ones. (These hogs) are priced right, regular breeders stuff at farmers prices that we can all afford to pay.

If you want a herd boar that will put you in the limelight, a son of Black Price, this is breeding that you cannot find anywhere else at three times the price that I am asking for him, a great pig for some one that needs him at a bargain. This pig is right for hard service about eleven months old.
